

## FLIP's Fundraising Raffle Winners!

Sep 27 2009

Jake Jones hands the winning ticket to Linda Barton of FLIP.

**Friends of Lopez Island Pool (FLIP) held two raffles this summer to support the non-profit's effort to build an aquatic center. In an electric-assist bicycle raffle, Jake Jones drew out the lucky ticket at a Saturday Farmer's Market for Dianne Erickson of Ashland, Oregon. Special thanks to Black Dog Bicycles for their expertise in assuring the bike was fully functional.**

**The second raffle for a luxurious getaway (two nights at MacKaye Harbor Inn, kayak and bicycle use, dinner at the Bay Café, a catered dinner at the inn, two massages, and a bottle of Lopez Vineyard wine) was won by Mary Ellen Delapena of Seattle.**

**Both winners own property on Lopez and visit part-time. Each was thrilled to win and equally happy to support this phase of FLIP's efforts. All proceeds will help pay for design and permitting fees. Go to [www.lopezislandpool.org](http://www.lopezislandpool.org) to donate and check FLIP's progress.**
